PROGRAM INTRODUCTION

In the Casa Mia Montessori In-Home Provider Training Program 12-week course, we provide everything you need to confidently create and operate a thriving Montessori-inspired in-home child care program. This certification program empowers you to embrace the Montessori philosophy, master its methodology, and establish an authentic Montessori program that nurtures young minds while meeting the needs of families in your community.

By the end of the program, you will have:

A Solid Foundation in Montessori Philosophy:

Gain a deep understanding of Montessori principles, including the structure of the prepared environment, the three-period lesson, normalization, the work cycle, and how to support the developmental needs of young learners.

Mastery of Core Montessori Materials and Lessons:

Learn how to effectively present Montessori materials, fostering independence, concentration, and a love of learning in children.

Comprehensive Knowledge of the Work Cycle and Classroom Flow:

Develop skills to implement a balanced Montessori work cycle, creating an engaging routine that supports self-directed learning and order.

Skills to Create and Maintain a Prepared Environment:

Design and organize a child-centered learning space that reflects Montessori principles, encouraging exploration and meaningful learning experiences.

Tailored Child Work Plan Development and Observation Skills:

Learn to plan work for individual children based on their developmental needs and interests, while honing observational skills to guide and support each child effectively.

An Understanding of How to Market Your Program and Gain Enrollment:

Master practical strategies for promoting your program, building your reputation in the local community, and ensuring full enrollment.

Business Operations for Success:

Gain insights into the daily operations of running an in-home Montessori program, including financial planning, time management, and creating sustainable systems to ensure long-term success.

PROGRAM INTRODUCTION CONTINUED...

Effective Communication with Parents:

Master the art of fostering open, collaborative, and supportive communication with parents, building strong partnerships that enhance the child's education and development. Learn strategies to share progress, address concerns, and celebrate milestones, ensuring alignment between home and your Montessori program.

Montessori Certification:

Upon completing the program, earn a Montessori certification, demonstrating your expertise and credibility as an in-home Montessori educator. This certification opens doors to enriching opportunities in early childhood education and distinguishes your program within the community.

Fostering Inclusive and Respectful Relationships:

Cultivate the skills to build meaningful connections with children by honoring their individuality and cultural backgrounds. Develop strategies to create an inclusive, respectful, and nurturing environment that supports the holistic growth and well-being of every child in your care.

Confidence in Montessori Teaching Methods:

Gain the confidence to implement Montessori teaching methods seamlessly, empowering you to guide children through their intellectual, emotional, and social development. Build the skills to create meaningful learning experiences that foster curiosity, independence, and a lifelong love of learning.

Step Into the Transformative World of Montessori Education:

Join our Casa Mia Montessori In-Home Provider Training Program and embark on a journey to become a knowledgeable, compassionate, and effective Montessori educator. Designed to immerse you in the principles and practices of Montessori education, this program offers a curriculum tailored specifically for children aged 0–6.

With exceptional curriculum manuals, resources, and hands-on learning experiences, you'll develop a profound understanding of Montessori philosophy and methodology while building the skills needed to operate a successful in-home program. Let Casa Mia (My House) be the foundation for your fulfilling career in Montessori education.

By the end of the Casa Mia Montessori In-Home Provider Training Program, you will be equipped with the skills, knowledge, and confidence to run an authentic Montessori program that is fully enrolled, financially sustainable, and deeply impactful for the children and families you serve.

*The greatest sign of success for a teacher...is
to be able to say, 'The children are now
working as if I did not exist!'*
